

A NEW KIND OF CHARITABLE GIVING

Giving back should be easy, simple and effective. At Good360, we bring together nonprofits, individuals and companies to make a greater social impact in communities around the world. We work with our partners to deliver more than \$400 million in product donations each year to our 57,000+ nonprofit members across the globe. Our nonprofit partners receive the resources they need to help their communities, and corporate and individual donors witness the tangible good from their giving. From books for children to clothing and personal care items for disaster victims to mattresses for homeless shelters or technology for schools, Good360 gives corporate product donations a new and sustainable afterlife. Just a few examples include books for children, clothing and personal care items for disaster, mattresses for homeless shelters and technology for schools.

DOING GOOD - BETTER

GOOD FOR THE BUSINESSES

Companies can boost their bottom lines, build employee engagement and improve sales as a socially responsible organization all by donating assets they might otherwise be paying to store, destroy, or liquidate.

GOOD FOR NONPROFITS

Donated product allows charities of all shapes and sizes to spend more of every dollar directly on their mission-focused programs.

GOOD FOR THE ENVIRONMENT

On average, Good360 keeps over 50 truckloads of product out of landfills each month. We help companies achieve zero-waste initiatives and at the same time fulfill the growing needs of pre-qualified charities.

GOOD FOR PEOPLE

With more than 46 million Americans living in poverty, product donations can support the nation's overburdened programs. One gift, no matter how big or small, can support every cause imaginable — from homelessness, disaster relief, women and children, and arts and technology.
