

# HOW GOOD360 WORKS WITH DONOR PARTNERS

For more than 30 years, Good360 has developed a variety of programs to help our corporate partners efficiently and effectively donate products to our network of 57,000+ nonprofits. Each partner has specific goals and requirements for product donation. That's why Good360 customizes and tailors each of our programs to fit the needs of our partners.

## DIRECT TRUCKLOADS

Companies fill up a trailer of returned and overstocked items to be donated. Good360 coordinates the logistics to get trailer to our larger nonprofits throughout the country and internationally.

### BENEFITS:

- Allows companies to quickly & efficiently disburse large quantities of good
- Keeps valuable warehouse space clear
- Avoid restocking costs when closing stores closing

Some current local store matching partners

## LOCAL STORE MATCHING

Local stores collect customer returns and excess inventory to be donated. Good360 matches local nonprofit organizations to pick up the items on a convenient schedule.

### BENEFITS:

- Products stay within local store area
- Allows staff to engage with local communities
- Eliminates product returns to a central facility
- Good360 compiles all donation information in 1 report

## ONLINE MARKETPLACE

Our innovative marketplace platform brings nonprofits, companies and individuals together and turns everyday product into life-changing goods.

### BENEFITS:

- Simplified process of shipping items to one location
- Donated items distributed to nonprofits throughout the country

Some current direct warehouse partners

## CUSTOMIZED PROGRAMS

Donation programs custom designed to meet a corporate partner's mission and charitable focus. Able to meet multiple internal goals.

### EXAMPLES:

- Employee engagement programs
- Customized software platform development
- Donated items for auction only
- Donation options for counterfeit goods
- Customer engagement programs
- Donations of used internal computers

Some customized program partners
